7. [REDACTED] Called George Murphy, Joint Committee on Atomic Energy staff, and confirmed 8 April at 2:00 p. m. for the Director's appearance for the "annual" briefing. 25X1

8. [REDACTED] Mrs. Bolten, in the office of Representative Edward J. Derwinski, called and suggested 9:30 a. m. on Monday, 24 March, for our people to meet with Derwinski to debrief him on his trip to Yugoslavia. [REDACTED] OCI, will accompany me. 25X1

9. [REDACTED] General Wilson, D/DCI/IC, called to advise me of a phone call he had received from Miles Costick, on the staff of Senator Jesse Helms. I returned the call and learned from Costick that Jim Lucier, of the Senator's staff, had been approached today by [REDACTED] 25X1 and Lucier and Costick wanted to be sure this information got in the right channels. According to Costick, Lucier has written a memo on this subject but he is out this afternoon and apparently will not be available until Monday. I told Costick in the meantime I would pass the information (scanty as it was) on to our people. I alerted [REDACTED] Europe Division, who suggested the matter be turned over to State. 25X1

10. [REDACTED] Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, called and said he has a memo which Jim Pyrros, of his personal staff, wrote stating that Sol Friedman is writing a story on [REDACTED] See Memo for Record. 25X1

it was agreed we should steer the group to the State Department. Shasten was given the names of Jim Kelly and Allen Lukens of the Iberian Desk in State with whom he made contact (I also alerted Lukens to the Jesse Helms item).

Later the Director called to say Senator Curtis called him directly about this. I told the Director we had taken care of it.

12.

Met with Chris Cowart, Senate 25X1

Armed Services Committee staff, and left with her a paper from [redacted] to Frank Sullivan and an additional copy of the Agency publication "Potential Implications of Trends in World Population, Food Production and Climate." Delivered a copy of the same publication to Kathy Smith, on the staff of Senator Stuart Symington (D., Mo.)

13.

[redacted] In response to his call, delivered 25X1 the transcript for the 21 February 1975 Director's testimony before the Defense Subcommittee, House Appropriations Committee, to John Garrity, who said that Representative Daniel J. Flood (D., Pa.) was interested in seeing it.

14.

[redacted] Per arrangements made by [redacted] and 25X1 with the approval of the Director, delivered to Senator John C. Stennis (D., Miss.), in his private office in the Capitol, a letter containing 25X1 certain up-dated information about a sensitive Agency project.

25X1

16. [redacted] A short time later I talked to Sam Goldberg 25X1

~~State~~ Department Congressional Relations, who said the trip had been cancelled to the Soviet Union as a result of numerous Senate changes in the timing of the trip.

I mentioned to Goldberg that the Senate Armed Services Committee was holding the transcripts of Mr. Colby's and Secretary Schlesinger's testimony before the Arms Control Subcommittee pending Secretary Kissinger's appearance before that Subcommittee.

17. [redacted] Ed Braswell, Chief Counsel, Senate 25X1
Armed Services Committee, called and asked if we could give him some help in preparing a press release for Chairman Stennis concerning the recent press revelations. I referred him to the New York Times article and then he asked when the funding began. I told him FY 1970 and that it had been before all our Subcommittees and the funds approved by the Appropriations Subcommittees. I said on his Committee only Senators Stennis and Thurmond had been informed.

18. [redacted] Scott Cohen, in the office of Senator Charles Percy, called concerning the stoning incident involving President Echeverria of Mexico. He asked if the Senator could have a letter from us stating that we had nothing to do with it. I suggested that a letter from the State Department would be much better and made arrangements for this through [redacted] 25X1
Chief, LA Division.

19. [redacted] Frank Sullivan, Senate Armed Services 25X1
Committee staff, called to say Senator Sam Nunn is interested in making a speech about recent developments involving the Agency. He said Nunn lamented the [redacted] 25X1 but added perhaps it is not a bad thing to have something like this happen once in a while. Sullivan is pulling together a speech for Nunn on what is happening to the intelligence community and asked for our assistance. I told him I had mentioned to Nunn that Senator Stennis had asked for a similar paper and I offered to make a copy available to Nunn also.

21. [redacted] Talked with Russ Rourke, White House staff, 25X1
and alerted him to about twenty pieces of legislation which are before the Kastenmeier Subcommittee of Courts, Civil Liberties and the Administration of Justice of House Judiciary Committee, on the subject of surveillance. I said we had a paper on this which I would send him. I thought the White House should be aware of this legislation.

28. [REDACTED] Learned in a call to Jack Keaney,
Department of Justice, at home, concerning Mr. Cotter's testimony before
the Kastenmeier Subcommittee on Courts, Civil Liberties, and the Adminis-
tration of Justice, House Judiciary Committee, in executive session, that the
transcript was to be publicly released tomorrow at 9:00 a.m.; Justice's STAT
review had been limited to identifying information in the transcript which
should not be released because of possible impact upon subsequent criminal
prosecution; [REDACTED]

[REDACTED]
that Mr. Kevin Maroney had also reviewed the transcript and that he, Keaney,
had sent the transcript back to Mr. Silberman or his aide, Bob McDermott,
this morning. In a series of conversations with Mr. McDermott at home
and with Mr. Gambino and other Security officers, arrangements were made
for security review of the testimony of Mr. Cotter.

[REDACTED]

After clearance with the ADDO via [REDACTED] 25X1

25X1

[REDACTED] I met with Richard Moose, Senate Foreign Relations Committee staff, and closed out the follow up question concerning the Agency (#32) and [REDACTED] by providing him the required information, in classified form, for the Committee record only. Frank Kirkpatrick, State Department, and Col. Lowenstein, DOD, were advised.

In connection with the scheduled briefing of Senator Dick Clark (D., Iowa) early next week, Moose said he will try to get further definition of the Senator's meaning of question number 8 concerning Lon Nol's political development and indicated that if at all possible he plans to attend the briefing.

16. [redacted] Frank Kirkpatrick, Laos/Cambodian Desk,
~~State Department~~, called to discuss follow up item number 32 from the
briefing of the Subcommittee on Foreign Assistance and Economic Policy,
Senate Foreign Relations Committee, by Ambassador Habib, Assistant
Secretary of State for East Asian and Pacific Affairs, et al, relating to

25X1

[redacted] I told Kirkpatrick that 25X1
the answer to the question was considered classified and that we would deal
with the Subcommittee directly and he somewhat reluctantly agreed to this
arrangement. I told him we would let him know as soon as we had responded
25X1 to the Subcommittee on the matter.

17. [redacted] Not being able to reach [redacted] 25X1
former Agency employee, at home or place of business last night, contact
was finally made in which I told him that I was not sure of the outcome
of the "other means" of providing information being sought by Bruce Lehman
25X1 of the Subcommittee on Courts, Civil Liberties, and the Administration
of Justice, House Judiciary Committee, and that in fairness to [redacted]
there should be a determination whether the Agency will release him from
his secrecy oath to discuss his knowledge of the mail intercept program
with Lehman. In view of the fact that I had to depart for the Hill shortly,
I said I would raise this matter for him but he said he could raise the
matter himself. I gave him the DDO's number as an appropriate starting
point.

Later in the afternoon, [redacted] called to keep me apprised of 25X1
developments indicating that based on Dave Blee's, ADDO, advice, he
[redacted] had told Lehman that he was not being released by the Agency
from his secrecy oath and Lehman, while disappointed, appeared to accept
this on the basis that the information might be forthcoming directly from
the Agency. Lehman expects a call from me per [redacted] and if he does 25X1
not receive one he will call us. (See Memorandum for the Record.)

25X1
18. [redacted] [redacted] NE Division, called 25X15X1
in connection with the [redacted] case to report that the congressional
interest was Senator Gale McGee (D., Wyo.) and that the matter at issue
apparently is [redacted] mandatory retirement from the service. [redacted] 25X1
is content that the Agency will be alerted if there is any possibility
of submitting sensitive Agency information to Senator McGee's office in
connection with the Senator's interest in this case.
